Recycling/Computerization/Building/Intergovernmental Services
Wednesday, February 6, 2008**

Present: Greg Dachel, Greg Hoffman, Bill Forest, Renee Yohnk, Tom Larsen, James Paterick

The Meeting was called to order at 08:00 pm.

Motion by Greg H /Greg D to move up item #2 all voting aye

2. Update on CINC consortium fiber network grants.

St Joe's received a \$655,000 grant to improve tele-medicine grant. Hooking up both CF fire stations was included.

Tom will set up a meeting with Ray Meyer to better understand what this means for the city.

No action taken.

1. Discuss recycling bin issues with possible recommendations to the Council.

Jim said he's still waiting on the bins.

The city is responsible for one city "tote" bin per household. Households currently with multiple bins will retain that number of bins.

Citizens that would like a second container will be able to purchase one from the Hauler.

No action taken

3. Adjournment.

Motion. Greg H/Greg D all voting aye to adjourn at 09:15 pm.
